Ma'am:

We are pleased to inform you that the Department of Science and Technology- Science and Technology Information Institute (DOST- STII) has created the **STARBOOKS Online** (www.starbooks.ph), a learning resource innovation platform for researchers, teachers, and students amidst the suspension of classes due to the COVID 19 threat.

Through the STARBOOKS Program, the teachers and students can have access to scientific information for their research needs or simply to satisfy their curious minds. Eventually, it is hoped that it will encourage great and probing minds to develop new ideas— inventions and innovations, and inspire one's capacity for entrepreneurship and research for socio-economic development.

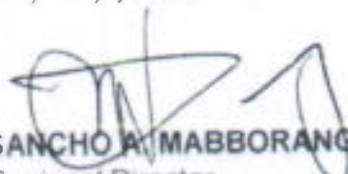

In this connection, DOST R02 would like to collaborate with you in this undertaking. May you help us in encouraging science and mathematics teachers to use the platform. We can conduct online orientation per division on the use of the platform. Moreover, DOST R02 will issue certificates to the users who will pass the test requirements.

We are attaching herewith STARBOOKs materials for your reference.

For queries and other details, please contact our Focal Person, Mr. Napoleon T. Babaran at CP No. 09065550168.

Thank you so much for your usual support and cooperation.

Very truly yours,

SANCHO A. MABORANG
