**DIVISION MEMORANDUM**

No. 007, s. 2021

**ADMINISTRATION OF PNEUMOCOCCAL VACCINE TO NON-TEACHING AND TEACHING PERSONNEL OF DIVISION OF TUGUEGARAO CITY**

To: Assistant Schools Division Superintendent  
SDO Personnel  
Public Elementary and Secondary School Heads

1. Pneumococcal vaccination is an important preventive health care measure that substantially reduces the burden of pneumococcal disease in vaccinated individuals and in the population. Pneumococcal vaccination is indicated for adults with risk factors for pneumococcal disease or for severe adverse outcomes should disease occur. Pneumococcal vaccination is also a routine part of infant and childhood immunization schedules worldwide. Pneumococcal vaccines are very good at preventing severe disease and hospitalization.
2. In this connection, this Office through the School Governance and Operations Division – Health and Nutrition Section will facilitate the administration of pneumococcal vaccine to all interested teaching and non-teaching personnel in collaboration with Dr. Marisa Mallonga, a general practitioner/pediatrician.
3. Division personnel who are interested to be vaccinated should inform the division health team for listing of names and payment modality. The schedule of the administration of vaccine will be January 11-15, 2021. The vaccine will be administered personally by our partner physician, Dr. Marisa Mallonga.
4. For inquiries or questions, you may reach our Division Medical Officer – Dr. Cleofe Mary Jane D. Torres through her cellphone number at 0917-3259-933 or the members of the division health team.
