DIVISION MEMORANDUM

No. 049, s. 2021

ADMINISTRATION OF FLU VACCINE AMONG SDO PERSONNEL

To: Assistant Schools Division Superintendent
 All SDO Personnel

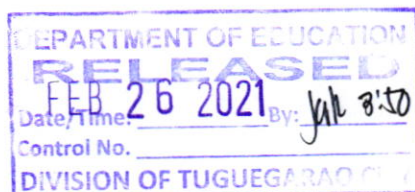

1. Influenza vaccine or commonly called as Flu vaccine is a yearly vaccine that protects everyone from getting influenza virus, a viral respiratory illness with symptoms of fever, muscle pain, chills, sweating, headache, dry cough, shortness of breath, easy fatigability, colds and sore throat. Flu vaccine helps in reducing the severity of the illness like pneumonia.
2. The flu vaccine will be administered by the SDO School Health and Nutrition Personnel on Monday, March 1, 2021 to all interested SDO employees. It is given via intramuscular injection. The vaccine is a quadrivalent pre-filled type.
3. For a systematic flow of administration of the vaccine, HNS Team will post the schedule of the assigned personnel to be administered via the DepEd Group Chat.
4. For information, guidance and widest dissemination.
